City Clerk
City Hall

Dear Mr. Healy:

Enclosed please find our formal request to be placed on the City Council Agenda for August 8, 1983. As you know, the tax revaluation process seems to be moving into its final stages amidst a great deal of uncertainty and fear on the part of Cambridge property owners as to what their final tax bills will actually be and how these values were arrived at. We ask that our formal request be acted upon in such a way that we are, in fact, allowed to address the City Council regarding our proposal at the August 8th meeting.

Sincerely,

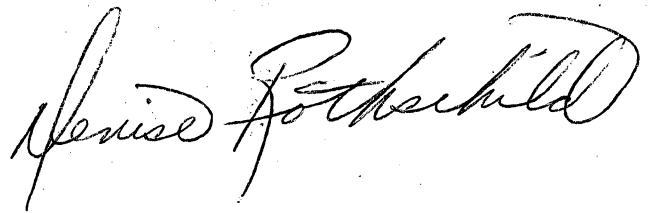

Denise Rothschild

Cambridge, July 28, 1983

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

The Association for a Better Cambridge (ABC) requests to be placed on the City Council Agenda for its meeting of August 8, 1983. The ABC has a proposal for the establishment of a Blue-Ribbon Commission to oversee the completion of the tax revaluation process. The purpose of this Commission would be to insure that property tax values have been arrived at in a manner that is fair, open and equitable for all Cambridge property owners.
