Dear Councilor Sullivan:

Kids and families. Neighborhood renewal. Community spirit.

On September 10th, more than 3,800 corporate volunteers will hit the streets as a part of United Way's 5th Annual *Community Care Day*. At over 110 agency sites all across Greater Boston, volunteers will paint houses, clean classrooms, serve lunch to seniors, build playgrounds and take pre-schoolers on field trips. Corporate volunteers, including CEO's, community leaders, and the media, will be out on September 10th celebrating this day of volunteering and community spirit.

Community Care Day celebrates the tremendous work being done by local agencies and shows donors their United Way contributions at work in the community. Your presence at a local agency would further underscore both the importance and the potential of public and non-profit sectors working together to solve our community's problems.

Joining us on *Community Care Day* 1996 will be *Community Care Day* Chairman George Russell, Senior Vice President of Community Affairs for State Street Bank and Trust Company, United Way Board Chairman Leo Breitman, Chairman and CEO of Fleet Bank, and United Way of Massachusetts Bay President and CEO Marian Heard.

Please join George, Leo, Marian and the rest of the volunteers on September 10th. The attached descriptions provide details of the projects taking place near you, including the company providing volunteers, the tasks to be accomplished, and the names of the company and agency contacts. We hope we can count on your support.

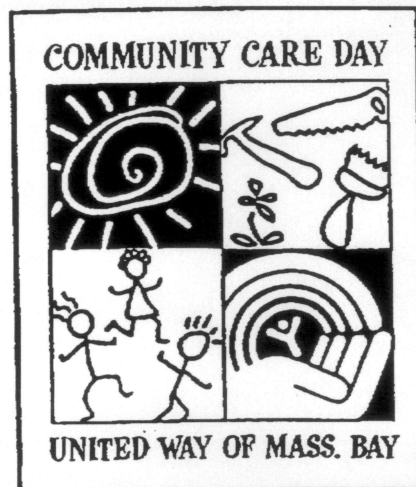

I can be reached at 617-624-8250. Please let me know if I can provide any additional information.

Regards and thanks,
