

Dear administration of City Hall! 6.

We would like to tell you how much we appreciate Kitty Lee's work in Cambridgeport Baptist church 459 Putnam Avenue.

She organized the Cambridge Food pantry very well. When you come in to the pantry you feel like you are at home.

There is always coffee and tea on the table. There is always some books on the shelves. And most importantly there are always people with smiling faces ready to help you.

There is always a large variety of food that you can choose from, and they always have a lot of good food.

Everything in the food pantry is going wonderfully, and we are very thankful to everyone that work there for helping us out, we most thankful to Kitty Lee's because she organized many of this. She is always in a good mood and ready to help, and above all this is that she loves what she does, and she puts all of herself into it.

Thank you. Our best wishes to all
of you for the coming holidays.
