## Petition to Reduce Lab Animal Suffering

Whereas, many animals are killed in tests of questionable value for which alternatives exist,

We, the citizens of Cambridge, are in favor of a City Ordinance for regulating animal research which provides:

- 1) freedom of information,
- 2) inspection of facilities by responsible representatives,
- 3) an animal welfare advocate on animal care committee,
- 4) monitoring of painful experiments,
- 5) ending unnecessary animal experimentation.
