Members of the Cambridge City Council
795 Massachusetts Avenue
Cambridge, MA 02139

Dear City Council Members,

We are members of the Cambridge/Somerville chapter of the Coalition for Basic Human Needs, Massachusetts' statewide welfare rights group. We are writing to city council members, as well as the Mayor and school committee members, to request a meeting to discuss our concerns about workfare placements in our community.

One of our concerns is the displacement of public service employees by welfare recipients who are forced to participate in the workfare program. At our proposed meeting our members will present our other concerns.

Due to the time frame of the proposed workfare program (July 1st) we request this meeting as soon as possible. Please contact Dellamarie Morrison at either 497-0126 (CBHN) or at her home number 661-1829.

Sincerely,

Dellamarie Morrison
