Dear Representative Toomey:

NoCa Arts, an organization of North Cambridge artists, will present its fourth annual All Arts Open Studios the weekend of May 5th and 6th, 2001. This lively neighborhood event brings many people into the North Cambridge area to view artists at work, hear music, and listen to authors give readings. The public gets an opportunity to see artists' studios and talk to them about their process and work.

While members contribute a membership fee and many hours of work to stage a successful and fun event for the whole community, we still need outside financial support. We seek your assistance to cover the considerable costs of publicizing the open studio event, particularly to print our flyer/map. Your contribution will be acknowledged on the 15,000 flyer/maps that will be distributed through artists' mailings, at locations throughout the city, and at each open studio site. (Please see the enclosed flyer/map from last year.) The event will also be advertised in art-related publications, and press releases will be sent to local media.

The enclosed sponsorship form outlines donation levels. Whatever type of donation you choose to make to NoCa, you will receive good advertising exposure and show your support for the community.

If you have any questions call Marci Davis at 547-6033 or Janet Hobbs at 354-6449. All sponsors' donations must be received by March 1st in order to ensure proper recognition on the flyer/maps

We hope that you will join us in celebrating the arts of North Cambridge.

Sincerely,

Kathy Jenkins
NoCa Arts member
