Dear John:

It is with a sad but grateful heart I write to the City of Cambridge and you to express my gratitude for all your assistance to my family and I at the loss of our dear "Joe."

Your presence, and your thoughts and prayers meant a great deal to us, and we will always appreciate the "Resolution," the City Council sent, which helped make things easier for us at that time.

In the days and months ahead when we are greatly saddened, we will remember all your kindnesses to us and we will be comforted.

Thank you again for all your thoughtfulness.

Sincerely,

Kay Cremens
