To the Honorable, the City Council:

The attached transfer of \$46,400.00 to the School Department's Other Ordinary Maintenance account from the Salaries and Wages account is to provide for funds to purchase classroom science materials and air quality studies voted by the School Committee in several schools. The funds have been made available due to outages in the temporary salary accounts.

The Superintendent's recommendation for this transfer was approved by the School Committee on September 5, 1984.

Very truly yours,

Robert W. Healy
