

City of Cambridge
In Board of Aldermen

Nov 29. 1856

The Committee on Roads & Bridges of this Board, who were authorised by order of this Board dated April 1st, to employ a surveyor to define, and mark the lines of that part of Main Street, formerly known as the causeway according to the plan by which said part of Main Street was laid out and established as a public highway by the last city council, ask leave to

Report

That they employed W. A. Mason to define the lines of the Main Street as above, and that the obstructions upon the Southern line have all been removed.

Respectfully Submitted

W. H. Lifford } For the Committee

Accepted.

Henry Thayer City Clerk

Reporr,

Main St.

Nov. 29. 1856.

City of Cambridge.

In Board of Aldermen, Apr 1

1856

Ordered,

That the Committee
on Roads and Bridges of this
Board be authorized to employ
a Surveyor to define and mark
the present line of that part of
Main Street formerly known as
the Causeway according to the plan
by which said part of Main Street
was laid out and established as
a public highway by the last
City Council.

Adopted

Henry Thayer
City Clerk

Ordn. Main St.

April 1, 1856.
