NOTICE. 1 June 1973

This office has under consideration the application of Boston Edison Co.,
c/o Warren Roche, 1165 Mass. Ave. -M321, Dorchester, MA 02125

for a permit to install & maintain 2-115 KV pipe type cable lines. Cables
will be buried a minimum of 3' below existing bottom with lowest elevation
of the cables to be 24' below mean low water.

~~XX~~ Under; Charles River

~~XX~~ Between Cambridge and Brighton, Boston, MA, approximately 1,800'
upstream of the Eliot St. Bridge in accordance with inclosed plans
The decision as to whether a permit will be issued will be based on an
evaluation of the impact of the proposed work on the public interest.
Factors affecting the public interest include, but are not limited to,
navigation, fish and wildlife, water supply, economics, conservation,
aesthetics, recreation, water quality, flood damage prevention, eco-
systems, and, in general, the needs and welfare of the people.

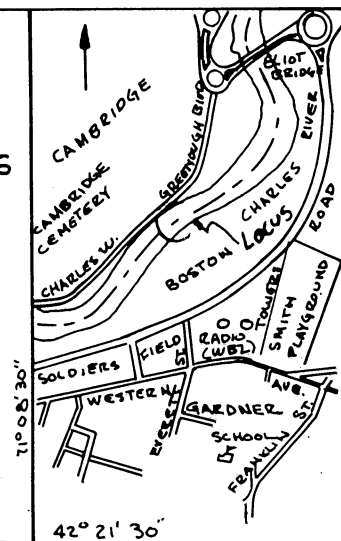

Anyone desiring to submit a statement or to enter a protest against the
proposed work is privileged to do so. Such statements should be sub-
mitted to this office in writing on or before 2 July 1973

Sincerely yours,

Morgan R. Rees
