Dear Mr. Healy :

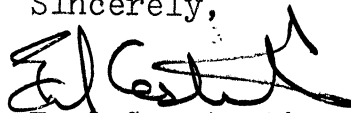

The purpose of this letter is to inform you that contractual agreements entered into between the Mudflat Pottery School Organization and the Marcus Organization(two separate contracts-each dated January 31,1985.) have not yet been consummated.

Relocation has has been the order of business on a daily basis since we had to close down some ten months ago. Every attempt on Mudflat's behalf has been made to deal with the respective contents of the above mentioned contracts.

It is our feeling that the Marcus Organization is not acting in good faith vis a vis the above contracts, as already agreed to expenses are now being contested. As a result both the organization and its individual business encumbants are in jeopardy of extinction.

Thank you for scheduling this October 21 hearing and for your attention given this matter.

Sincerely,

Earl Constantine
