DATE: *FEBRUARY 10, 1998*

TO: *THE HONORABLE, THE CITY COUNCIL*

FROM: *MAYOR FRANCIS H. DUEHAY* *F.H.D.*

SUBJECT: *CITY COUNCIL COMMITTEES*

I am pleased to appoint the Committees of the Cambridge City Council for 1998-1999. In making these appointments, I honored the request of Councillor Toomey to be appointed to only one committee, not including committees of the whole.

During the term, the Council may wish to examine its current committee structure to insure that it is completely functional and up to date. If the Council is interested in considering that suggestion, it could introduce a motion to ask for the appropriate committee to undertake that review.
