To: Councilor Katherine Triantafillou
From: Marta T. Rosa, Child Care Resource Center

Thank you so much for agreeing to sponsor a proclamation for Beth Rimanoczy. We will be celebrating Beth's achievements at her retirement party on Thursday, December 9, 1999, at China Pearl in Boston, we hope you can join us.

Here is some general information about Beth:
Beth has lived in Cambridge most of her life. As a long term Cambridge resident, Beth has played an active role as a community activist primarily focused on the rights of women, gay and lesbians, families and children. Her love for children guided her professional work to devote most of her life to the development of quality child care programs for children and their families.

Her work at the Child Care Resource Center, Inc., the past 16 years has been dedicated to improving the quality of child care services through training and technical support to child care workers and ensuring access to quality care for all families. Prior to coming to CCRC Beth took the lead in creating the Dandelion School, a child care program that continues to serve Cambridge families today.

Beth will be retiring this coming month and will relocate in California this coming year to be with her children and grandchildren. Beth has three children and four grandchildren.

We want to honor Beth for her outstanding contributions and dedication to: community activism, preserving human rights and years of service which have enriched the lives of thousands of children and families in Cambridge and the Commonwealth.

I hope this is what you need. If you have any questions, please feel free to call me at 547-1063 x 217.

Again thank you so much for helping us to make Beth's retirement memorable.
