

To the Honorable Board of Mayor and
Aldermen of the City of Cambridge

The undersigned, residents and house holders
on or in the immediate vicinity of Concord Turn-
pike West of the Observatory Grounds,
respectfully represent.

That Concord Turn-
pike from the Observatory Grounds westward to
Fresh Pond is in a very bad condition from the
want of proper grading and hardness of the
road-way, and in account of there being no
sidewalks; and that great inconvenience and dis-
comfort is caused to large numbers of people
thereby. We therefore respectfully petition your
Honorable body that the road be put in
good condition, and siderwalks constructed.

Patrick O'Brien.
