Dear Sir,

On January 7, 1983 at 1:00 AM.

during a snow storm, a large limb
of a tree on the side walk in front
of my home broke off causing the
power line leading to my home
to fall down. It damaged
my vinyl siding and pulled the
electric cord from the building
going into my house. The
bushes were broken when the
limb landed on my front lawn.

Please find enclosed the
estimate of the damage done
to my property. Sincerely yours,
Nancy E. Barry
