Mr. Joseph E. Connarton
Deputy City Clerk
City of Cambridge
City Hall
Cambridge, MA 02139

Dear Mr. Connarton:

Please excuse my delay in writing this letter of appreciation of the resolution adopted by the City Council of Cambridge. All my correspondence has been delayed because I was in the hospital in California last winter for ten days with congestive heart failure. However, I do want you to know that I appreciated very much receiving the resolution. It is nice to be recognized by the governing body of one's home city and please transmit my thanks to the Council.

Sincerely,

J. H. Van Vleck
