Mr. Paul E. Healy
City Clerk
Cambridge City Hall
Cambridge, Massachusetts

Dear Mr. Healy,

I take this opportunity to officially thank you for your efforts in assisting us to obtain a sign directing our prospective customers to Brands Mart. It is nice to know that there are people like yourself concerned enough to take time out from obviously hectic pressures of daily political and governmental responsibilities.

I wish to further note my appreciation for the fine assistance and cooperation given by Jack Drummey. Without his interest and initiative, Smith Place would still be void of a proper sign, and Brands Mart's potential customers would still be driving about aimlessly seeking out our facility.

Most appreciatively,

David Weiner
General Manager
