Hi Mike,

First I'd like to congratulate you on your re-election. Secondly I want to thank you for the action being taken on the "Little Park" down Wendell Square. If you haven't driven by it you'd be amazed at the transition from ugly to beautiful. It is not an eye sore any more. This leads me to ask you for one more favor. Bennett Park is situated across Broadway from Tremont and Norfolk streets. It consists of a large basket ball court, soccer field, soft ball field and a large tot lot. I've tried a few times to get the City Manager to paint a crosswalk from Tremont St across Broadway to the Park. Believe it or not there are motorists that do not respect a crosswalk. One time I received a letter from a Highway official saying motorists do not expect any body to be crossing that. Either I mis-represented the location or he's a complete idiot. Who would be expected to be crossing to a Park? The Taliban!! It seems like such a small request and if they put out the lines I'd paint it myself. Once again congrats we need your strong presence on the Council.

Respectfully,
Bill Fay

and I thank you again about the "little park"
