Cambridge, Sept 20 19 79

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

On Sept. 19, 1979, about 1:00 PM, I took a right turn on Cambridge Street to 2nd Street, in front of the Shawmut County Bank. As I proceeded on 2nd Street I suddenly felt & heard a tremendous noise & banging sensation. I stopped the car & saw that I hit a big rut in the road by a sewer man hole. They apparently were repairing the road & dug a deep hole around the man hole for further road repairs. There was no sign or indication that the road was dug up. The tire was blown & the rim damaged and had to be replaced as per the enclosed pd. bill. Your Council member, Mr. Al Vellecci was coming outside of the Bank parking lot & witnessed the whole incident.

Thank you very much.
