To the Honorable, the City Council:

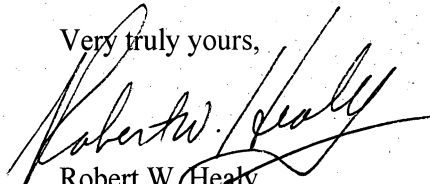

In response to Awaiting Report Number 03-107 regarding the number of condemned trees in Cambridge where hearings were held and approval granted, yet the trees have not been removed, Public Works Commissioner Lisa Peterson reports the following:

DPW records indicate that all trees heard before June 2001 have been removed.

From June 2001 through October 2003, the City condemned 90 trees. Of those:

- 69 have been removed;
- 4 are hazard trees, and will be removed as soon as possible; and
- 17 will be removed through late fall and winter.

Very truly yours,

Robert W. Healy
City Manager
