Referred to the
Police Dept &
Traffic Dept.
for report.

Mr McKinnon

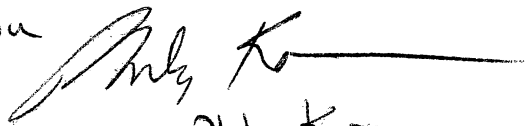

Nov 24 80

I would like the City of Cambridge to act on a problem I have encountered at least twice a week now on your roads for the last three months. That problem is that of drivers going down major roads the wrong way - and in my opinion - not a deliberate act. Two areas ~~in~~ in particular are the Memorial Drive and Cambridge Parkway adjacent to the Hotel Sonesta and the Brattle Bus depot at the corner of Bolyston St and Eliot St.

I must confess that 2 sightings a week - when I drive only on weekends - is highly dangerous, if not to me - to the drivers not alert to the "one way" infringement.

More visible signs would be most appreciated.

Thank you
