

March 7, 1981

Councillors:

As you know, the School Committee will meet on March 12, 1981 at 7:00 p.m. at the Haggerty School to discuss the Haggerty School. Several Councillors have had the opportunity to publicly support the Haggerty at previous meetings. We now invite all of our elected officials to come March 12, and share in the discussion of this most important matter.
