CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Robert Healy, City Manager

Date Nov. 10, 1982

From *G. Teso*
George Teso, Traffic Director

Reference

Subject City Council Order #21 "Brookford Street"

As stated in my last report to the City Council concerning Brookford Street remaining a "Dead End" street I have talked to Mr. Fawcett who owns the property at the end of Brookford Street and he has stated that the building and wall had to be removed due to a fire and that the gate was installed for emergency vehicles only. He also stated he has no intentions of using this gate.

I informed him that if he did use this gate, I would have to install a physical barrier at the gate.
