

CITY COUNCIL
City Hall,
Cambridge, Mass. 02138

Dear Councilor _____:

I am writing in regards to the effect the proposed cutbacks and layoffs of Proposition 2-1/2 will have on our city's fire department and rescue squad, especially in the Corcoran Park area.

As you must know, the Huron Ave. bridge is out of service at this time. The closing of the bridge is a hinderance to the vehicles responding to a call at Corcoran Park. I realize that this problem cannot be solved quickly but any cuts in personnel at our fire station would add to our dilemma by forcing response to emergency calls to take longer - thus endangering the lives of the many senior citizens and children who live at Corcoran Park.

Any support you could give Corcoran Park in saving our fire department would be very much appreciated.

Respectfully,

Maia Morales
29 Corcoran Park.
Camd. Mass.
