Cambridge Mass. 02139

Dear Members of the City Council:

Sunday afternoon, April 21, starting at approximately 2:00 pm, musical groups started playing on Cambridge Common and did not stop until 9:00 PM when the Cambridge Police stepped in.

It is not the music itself I object to, but the amplification = the steady boom boom can be heard for blocks and after 7 hours of it, it begins to feel like Chinese torture!

Would appreciate anything that can be done to reduce the noise level of these groups.

Yours truly,
(Mrs) Evelyn M. Maloney

City of Cambridge

Comm. from Mrs. Evelyn M. Maloney recording
her opposition to the amplification of the
music at the Cambridge Common.
