To The Honorable, The City Council:

In response to Awaiting Report Item No. 99-89, regarding a report on the placement of bus schedules on signage for bus stops, Traffic, Parking & Transportation Director Susan Clippinger reports the following:

The Department is in the process of upgrading the sign markings and design equipment used to make the regulatory signs that are posted. The upgrade will be completed by the end of the Summer. Once the upgrade is complete, the Department will initiate a program to design a sign to be used at bus stops within the City that includes route numbers, route names, and notice of any route that does not run evening and/or weekends. Specific schedules will not be shown as they change quarterly.

Very truly yours,

Robert W. Healy
