To the Honorable, the City Council:

With respect to Awaiting Report Item No. 14 relative to bus stop signs along Broadway, I have been advised by George Teso, Traffic Director, that the signs were removed on May 29, 1981 and the areas returned to public parking. The only exception was the section along the north side of Broadway at Felton Street which is used as a school bus stop.

Very truly yours,

Robert W. Healy
