Subject City Council Order #25 of February 13, 1978--"Truck Restrictions on Warren Street".

I am in the process of trying to get a truck restriction on all streets in East Cambridge that connect Gore Street with Cambridge Street which includes Warren Street. This proposal has been submitted to the State for approval and whereas part of Warren Street is in the City of Somerville that City's approval is also needed.

To restrict heavy trucking from Warren Street alone would not solve the problem but only move it to another street and that is why I am trying to prohibit heavy trucks from using all these connecting streets in East Cambridge thereby forcing these trucks to use the main arteries.

The Traffic Department is also working with the State and other affected Cities and agencies in approving an overall plan to prohibit heavy trucks from entering Cambridge. An interim report on this proposal will be submitted to you within the next two weeks.
