Commissioner of Public Works

Dear Sir:

June 2, We at Hooper Lights would like to obtain a permit from your department, such that we might conduct a 'sidewalk' sale on May 26, 1979. Our display would obstruct approximately half of the available space in front of the store. This figure includes four (4) feet of width for browsers, thus leaving eight (8) feet for passersby. The total width, from the store front to the curb is sixteen (16) feet.

We propose to hold this sale during our normal business hours; 10AM to 6PM. In the event of precipitation, the sale would be rescheduled for the following Saturday.

If any essential information has been omitted, please contact us at 868-6330.

Cordually,

Ted Schultz
