Whereas, in the opinion of this Board, the public necessity and convenience require that Thorndike street, so-called, between Sixth street and Ninth street, should be accepted and laid out as a public way, of the width of forty feet, the street and grade lines being indicated by the red lines shown upon a plan drawn by E. F. Bowker, Engineer and Surveyor, dated Sept. 6, 1892, and filed in the office of the City Engineer:
it is therefore hereby

ORDERED, That due notice be given to the owners of ~~lands~~ lands abutting upon said Thorndike street, between the points before mentioned and all other persons interested, by a delivery of a copy of this order of notice to each of said owners, in the manner prescribed by law, and by publication in the newspaper called the Cambridge Press, at the width of forty feet, that this Board intends to lay out the street before mentioned, by

taking a portion of their land and laying out the same as a public street,—and that

Tuesday the 2nd day of May next,
