To the Honorable, the City Council:

I would like to request that the City Council review and move to a second reading the attached amendment to Chapter 12.20 of the Cambridge Municipal Code "Commons and Public Grounds." This amendment will allow criminal and non-criminal enforcement of the ordinance, and specifically, appropriately posted rules and regulations of parks and playgrounds.

This enforcement language is identical to language that has been used several times by the City Council in prior ordinance amendments. It would be helpful to move quickly to ordination to provide additional enforcement tools during peak seasonal use.

Very truly yours

Robert W. Healy
City Manager
