Mr. Robert W. Healy, City Manager
City Hall
Cambridge, MA 02138

Dear Mr. Healy,

National Drinking Water Week is May 5 to May 11, 1991.

The Cambridge Water Board and the Cambridge Water Department cordially invite you, Cambridge City employees and the City Council to join us at 10:00 a.m. on May 4 in our offices on Fresh Pond Parkway to commemorate Drinking Water Week in Cambridge.

At that time, we will dedicate the newly rehabilitated filter beds, filter gallery and aerator room. These projects are part of the Interim Improvement Projects in the Water Treatment Plant. The projects are designed to improve water quality and have already shown results in this regard.

In addition to the dedication, Cambridge Water Department employees have volunteered their time to set-up and present displays of the functions that are required to provide water service to the citizens of Cambridge. We are planning to have Open Houses later that week for the public and we are also planning tours for three classes of school children.

We will be pleased if you can join us on May 4 at 10:00 a.m.

Very truly yours,

Nancy E. Barnes
Managing Director
