Subject

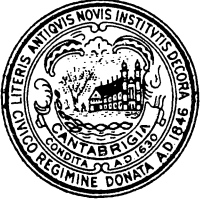

In the 197~~4~~-1975 budget review, I requested an increase in the B-4, Transportation of Persons Account for the Veterans Benefits Investigators. This request was denied. In a discussion that followed, an agreement with the City Manager and the Public Works Department was made that the Investigators would be able to get gas once a week, at the Public Works Department. However, an appropriation was never made to cover this additional gas expense.

I, therefore, respectfully request that a transfer of \$1,500 from F-14, Veterans Benefits to D-11, Motor Vehicle Gas & Oil be made in order to cover this expense.
