EXECUTIVE DEPARTMENT
ROBERT W. HEALY
City Manager

August 15, 1984

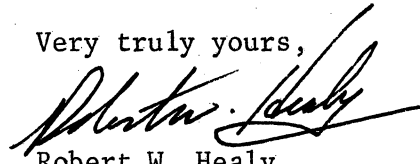

To the Honorable, the City Council:

July 5, 1984, was the official release date of the City's Issuing Authority Report. The date for the receipt of amended applications is October 22, 1984.

At the June 14th meeting of the Cable Television Advisory Committee, comments and suggestions were solicited from the City Council, members of the public, and the applicants, in regard to this report. The final version of the Issuing Authority Report reflects the concerns of those who spoke at that meeting and a number of the changes and suggestions made have been incorporated therein.

An Addendum to the Issuing Authority Report has been attached. Copies of the Report may be found in the Council Office.

Very truly yours,

Robert W. Healy
City Manager
