To the Honorable, the City Council:

In response to Awaiting Report No. 12 regarding funding for Phase VI and VII of the City's sewer separation project, I refer you to Agenda Item No. 11. As a result of the Department of Environmental Engineering hearing on August 29, 1986, the City qualified for a grant for 50% (\$913,617) of the total cost of \$1,801,200 for the engineering design for these phases.

Very truly yours,
