JUST A START XXX

Just A Start has some important events and celebrations coming up over the next two months and in the summer. We wanted to get an early notice to you and hope that you will be able to join in at these events. These are for programs that Just A Start administers.

We do appreciate your continuing interest and great support for our ongoing efforts to provide affordable housing, prevent economic gentrification and homelessness, provide education, training and better paying job opportunities for the five target populations we serve, and for the community development services we implement over the years.

- 1) **May 21, 1997, 11 a.m.**, Groundbreaking for start of \$6.2 million renovation program at 402 Rindge Avenue at Fresh Pond Parkway. Light lunch to follow. Parking on site. Group photo to be taken as part of Just A Start's thirty (30) year celebration.
- 2) **May 29, 1997, 10 a.m. - 12 noon**, Cambridge BioMedical Careers Training Initiative. Class V Graduation at Bunker Hill Community College. One of the most successful programs in Massachusetts for training adults (unemployed, on welfare or displaced/dislocated workers) and placing them into good paying jobs with good benefits. Light refreshments and parking will be arranged at the college. Group photo to be taken.
- 3) **June 9, 1997, 11 a.m.**, Open House at Bolton Street (off of Sherman Street) to celebrate completion of 7 units, affordable first time home buyer development by Just A Start. Light lunch to follow and parking will be arranged. Group photo to be taken.

Congressman Joseph P. Kennedy II will be the keynote speaker.

Toward the end of the summer, we will be holding an awards night for our XXXth Summer Program and another graduation event for our third YouthBuild training program.

Formal invitations will be mailed to you for each of these events.

We hope to see you there.

Thank you again for believing in the programs and accomplishments of Just A Start.
