Case 50

To owners of property in the vicinity of 3 Church Street,
Cambridge Common Historic District:

The Cambridge Historical Commission has received from the
First Church Unitarian-Universalist an application for a
Certificate of Appropriateness for the following improvements
to the Parish House, 3 Church Street:

Installation of an iron security grille to each of the
double entrance doors in the entrance alcove at 3 Church
Street, the dimensions and design of which are shown on
the attached drawing. The bars are to be of twisted
iron, the verticals on 2" centers and the horizontals
approximately 12" apart. The entire assembly will be
painted black.

Under the provisions of the Historic Districts Act, General
Laws Chapter 40C, Section 12, the Cambridge Historical Commis-
sion may dispense with a public hearing on this application
and proceed to issue a Certificate of Appropriateness for the
proposed alterations, provided that the alterations are deemed
to be insubstantial in their effect on the Historic District
and that ten days' prior notice is given to owners of adjoining
property and of property deemed to be materially affected by
such alterations. We deem the effect of the alterations described
above to be insubstantial and your property to be among those
adjoining.

Should you have any objection to the issuance of a Certificate
of Appropriateness for the proposed alterations, please notify
the Cambridge Historical Commission at the above address within
ten days.
