893-2-1
Ordered:

On petition of the Kitson Hydro-Carbon Heating and Incandescent Lighting Company of Boston, that permission be granted to the petitioners to erect and maintain on the sidewalk close to the curbing on Massachusetts avenue, two ornamental iron lamp-posts for the purpose of using thereon the Kitson system (so-called) of Kerosene oil lighting, one of said posts to be located on each side of the entrance of the Charles River Parkway.

The permission granted by this order is subject to the following conditions namely:-

First.-The petitioners shall forthwith file with the City Clerk a plan of the locations of said poles.

Second.-The work done under this permit to be to the satisfaction and approval of the Mayor, City Engineer and Superintendent of Streets.

Third.-This permit may be revoked at any time by this or any future Board of Aldermen of the City of Cambridge.

Fourth.-Before setting said poles the petitioners shall file with the City Clerk a bond in the sum of Five Thousand Dollars (\$5,000.00), satisfactory to the City Solicitor, conditioned to save harmless the City of Cambridge from all liability, loss or expense whatsoever which said city may incur and suffer, arising from the setting and maintenance of said poles, and further to

remove the same and restore at the expense and cost of said petitioners the premises wherein said poles are set, to the same condition in which they were at the time of granting this permit. Fifth.-That within thirty days after the passage of this order said petitioners shall writing accept this permit upon these conditions and file said acceptance with the City Clerk, otherwise this order shall be null and void.

ADOPTED.
