Dear Council Members,
express words cannot
for the beautiful resolution
adopted by you on behalf of
our mother. We have always
been proud of her and your kind
words will be treasured so that
future generations of Everetzs will
also be proud when they read
them. We miss her immensely
and it is a comfort to know that
others miss her also. God Bless
you all for your thoughtfulness.

This note is sent your way
Bringing very special thanks
To all of you today.
