Honorable Barbara Ackermann
Mayor of Cambridge
Cambridge, MA. 02139

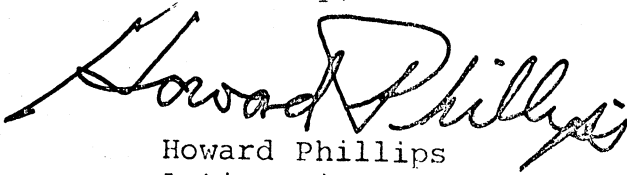

Dear Mayor Ackermann:

Attached for your information are materials concerning the impact of FY-1974 budget decisions on programs and activities which have been conducted in the past under the auspices of the Office of Economic Opportunity.

It must be stressed that while this is the last year that community action funds will be obligated by OEO, Federal support for all other OEO activities will be continued at an equivalent or higher level of expenditure in Fiscal Year 1974.

We hope that members of your staff will feel free to contact Mrs. Trudy Slaby Etherton of our State and Local Government Relations Division for any further information or assistance they may desire.

Sincerely,

Howard Phillips
Acting Director
