CAMBRIDGE, MASS.
Joseph E. Conant, Deputy City Clerk
City of Cambridge
City Hall, Cambridge, Ma.

Dear Mr. Conant:

Thank you for your kind note of August 1, 1983. I myself have been away, and it was with a sense of deep appreciation that I received the memorable tribute to my husband from the City Council. Will you extend to Councilor Sullivan sincere appreciation for introducing this resolution and for its contents as well as for the format - a very handsome document. My family will treasure it, for it is a splendid tribute to their father.

I am glad that you recently have attended the Kennedy School of Government. Mr. Bradford hopes, and I feel confident, that the Fellowship will help deserving

students along their over-burdened
financial road.

Sincerely yours.

Rebecca C. Bradford
