In Board of Aldermen, April 6 1867

The Joint Standing Committee on
Roads & Bridges
to which was referred the petition of
Joseph R. Farwell & others for the
widening of Prospect street from Main
to Austin Streets would respectfully
Report

Recommending that the petitioners
have leave to withdraw: — as the street
is sufficiently wide for the present necessity
& widening at this time would involve
the moving of several buildings, which, in
all probability will, in a few years be replaced
by new ones, at which time this desirable
widening can be made at less expense than
at present
