Attn: John E. Flynn

Gentlemen:

It was with great emotion that we received the resolution unanimously approved and forwarded by the City Council in their expression of sympathy regarding my father's recent death. As you know, he took great pride in and devoted much of his life to the City of Cambridge where he was a life-long resident, servant and leader for so many years. I can truly say that after his family the City of Cambridge and all it stands for were high on his list on what mattered in life. Rindge Tech, East Cambridge, the Police Department, the City Council, etc., etc., were all things his family knew well.

At this time, we wish to express our sincere gratitude for your kind expression of sympathy and the personal friendship that so many of you and the people you represent have offered to my father and our entire family. please share our appreciation with the present members of the City Council and all those many friends at City Hall.

Sincerely,

A handwritten signature in dark ink, appearing to read "James M. Trodden". The signature is fluid and cursive, with a large, sweeping initial "J".
