Petition of Metropolitan Transit Authority for approval by the Department of the erection, maintenance and use of poles to support the wires of its electrical system.

Appearance: W. J. Fitzsimons, Esq. for the Petitioner

This is a petition of the Metropolitan Transit Authority under the provisions of Chapter 544, section 10, of the Acts of 1947 for permission to erect, maintain and use poles to support the wires of its electric system in the city of Cambridge.

After notice, a public hearing held on February 21, 1958 at which one person appeared in opposition, and after consideration, it is

ORDERED: That the Metropolitan Transit Authority be and hereby is granted permission to erect, maintain and use poles to support the wires of its electrical system in the city of Cambridge as follows:

In Cambridge: Eleven poles on the northerly side of Garden street
between Waterhouse Street and Massachusetts Avenue;

Three poles on the southerly side of Garden street
between Waterhouse street and Massachusetts Avenue;

substantially as shown by red dots on plan of James A' O'Neil, Chief Electrical Engineer of the Authority, dated January 20, 1958 and filed with the petition; also that permission be and hereby is granted to said Authority to attach its wires, appliances and electrical appliances and apparatus to said poles and to make the underground and surface alterations to the street necessary for that purpose, and the Department

DETERMINES the above described grant of location to be in the public interest.

By order of the Department,
