Commissioner
Dear Sir;

I have previously called the board of health to complain about the proliferation and flagrant use of the term " Home Made" ice cream. Evidently the message was inadvertantly misplaced or thought not to be important.

I am now filing a written complaint against Belgian Fudge located on Mass. Ave. in Harvard Square where I have observed ice cream being delivered in a van truck. If this matter is not resolved I shall be forced to write to the Cambridge City Council and the mayor.

It is not right to have people deceived by false food advertising.

Sincerely yours,

Dear Councilors;

Enclosed please find photo copy of letter that I mailed April 25, 1978 to the board of health in Cambridge. So far no positive action has been taken on this important matter. It seems that the board of health is derelict in its duties. The people of Cambridge deserve better treatment by its board of health.

I hope that immediate action will be taken on this matter.

Sincerely yours,

Julia McGirt
