AN ORDINANCE

In amendment to an ordinance formerly entitled: "The General Ordinances of the City of Cambridge" as revised in 1972 and now designated as "The Code of the City of Cambridge."

Be it ordained by the City Council of the City of Cambridge as follows:

Chapter 19, entitled: "Water" is hereby amended by striking out that portion of Section 21 entitled: "Rates" and substituting in place thereof a new paragraph entitled: "Rates" which will read as follows:

RATES

The rate for metered water shall be Thirty six (\$.36) cents per hundred cubic feet. In no case, however, shall the minimum charge for metered water be less than Ten (\$10.00) dollars, payable semi annually (at six month intervals.) All water passing through a meter, whether used or wasted, will be subject to charge.

If a meter malfunctions and fails to register, the consumer shall be charged at the average daily consumption as shown by the meter when in order.

All charges for metered water shall be made to the owner of record of property. All bills for water furnished by meters shall be payable semi-annually at the office of the City Treasurer; and if the same be not paid within thirty days after billing, the Chief Superintendent may shut off the supply, after sending a special notice that the water will be shut off for non-payment, and shall not again be let on for the same occupant or owner, except upon the payment of the whole amount due, together with costs as determined by the Board.

A monthly interest charge of one and one half (1.5 percent) Percent shall be assessed on the balance of any water bill remaining unpaid after thirty days from the date of billing.

When water is required for purposes which are not specified in the foregoing tariff, the rates shall be fixed by the Board.

The Board shall have the power to prevent the erection of yard hydrants, and water shall not be supplied to any water closets unless such water closets are constructed to conform to the plumbing ordinance.

This ordinance is effective January 1, 1976.

In City Council April 5, 1976.

Passed to be ordained as amended by a yeas and nays vote: Yeas 6, Nays 1, Absent 0. James L. Sullivan, City Manager
