Dear Mr. Healy,

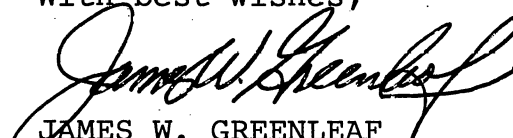

Re: 1984 Olympics  
Harvard University  
Cambridge, Massachusetts  
July 29 - August 3, 1984

On August 3, 1984, the many months of preparation by various organizations were rewarded with the successful conclusion of the 1984 Olympic soccer events at HARVARD UNIVERSITY. As host of the Olympics, the City of Cambridge played a vital role in ensuring a safe and enjoyable visit by the athletes and visitors.

On behalf of the FBI, I wish to express our appreciation to you and the many participants from Cambridge for their assistance to us during the games. Although I realize that the City did not receive funding to cover its costs from the Olympic Committee, the fact that Cambridge fully met its obligation to ensure a secure Olympics was not overlooked by those of us who participated in the security arrangements. We sincerely appreciate the assistance provided to us during the planning stages and the many courtesies extended to our agents by members of the Cambridge Police Department. Chief ANTHONY PAOLILLO and his officers were most helpful to us prior to and during the events. They can be justifiably proud of their contributions to the internationally acclaimed success of the games.

We look forward to working with you on future projects!

With best wishes,

  
JAMES W. GREENLEAF
