

Whereas President John F. Kennedy preferred the City of Cambridge as the site for his Presidential Library:

Whereas the people of Cambridge, acting through Council resolution dated 24 May 1965, invited the John F. Kennedy Library Corporation to build in Cambridge:

Whereas the Cambridge City Council reaffirmed this invitation by resolution dated 1 April 1974:

Whereas the Kennedy Library will be an asset to the City and the people of Cambridge:

Whereas the people of Cambridge are proud to have helped elect John F. Kennedy to the Congress, the Senate, and the White House,

Therefore, be it resolved that the Polish American Veterans supports the building of the John F. Kennedy Library, including a museum and an archives, on the site of the Bennett St. MIRA Yards, and be it further resolved that the members of Polish American Veterans urges the elected and appointed officials of the City of Cambridge to do all in their power to expedite the development of the Library and to work with the planners of the library to solve any environmental, social, and economic problems associated with its development.
