

City of Cambridge April 22, 1856

The Committee on Roads and Bridges, of the Board of Aldermen, to whom was referred the present state of the gutters on the Main Street, by Order of the 8th inst. directing the Superintendent of Streets to grade and repair the gutter on the north side of Main Street, between Inman Street and the residence of Mr John Livermore, have considered the same and ask leave to Report-

That in the opinion of the committee it is not expedient at the present time to grade and repair as above, there being in the judgement of the committee work of more urgent necessity requiring immediate attention;

The committee therefore recommend the adoption of the accompanying order-
