Mr. Seannott

OFFICE OF THE MAYOR
CAMBRIDGE, MASSACHUSETTS

January 7, 1931

To the Honorable, the City Council

I return herewith your order of December 30, 1930 requesting the city solicitor to draft a bill to the legislature authorizing the metropolitan district commission to remit to the city of Cambridge or assume the sum of \$323,608.79 still due on the transfer to the commission of our river park system, for the following reasons:

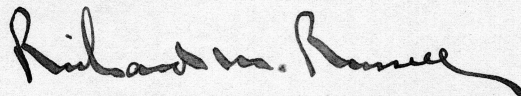

(1) The city solicitor has been engaged for some time in drawing a bill in relation to this matter.

(2) The bill that the city solicitor is drawing contemplates asking for remission or assumption of no specific amount on the theory that even greater relief might be obtained.

(3) Legislation authorizing the city to borrow money for the construction of the said parkway embraced other park propositions and dates back to 1894.

(4) Whether or not it is going to be possible to allocate the specific amount borrowed for the purpose of this particular parkway has not yet been ascertained; and it is also for this reason that I deem it inadvisable to include in the proposed bill any specific amount.

Respectfully submitted,

Mayor
